Jodi Granok, CPO®, MSW, is a Certified Professional Organizer®, productivity consultant, and speaker based in St. Louis, Missouri. In 2008, she founded Organizing Magic, LLC - which works with overwhelmed and neurodivergent people locally and virtually to organize their homes, offices, and lives. Jodi's humor, enthusiasm, and common-sense approach motivate audiences to use her tips and tricks to get and stay organized!

"Jodi is hilarious and very easy-going. She did a great job capturing the audience's attention. The best part of the presentation was Jodi's personality and relatability. All the information in her talk was very useful. I liked that it was informative but not overwhelming. I just wish it was longer! I loved every second of it. I was so inspired; I immediately went home and organized my craft stuff!" ~ Sarah, St. Louis
